ILLUSTRATION (ILS)

About the Program

This two-year creative diploma program combines traditional and digital illustrative media with freelance business skills to help you succeed as a professional illustrator.

Throughout the program, you will build your visual art skills through drawing, painting, printmaking, sculpting and digital media. The program's specialties include children's book illustration, comics, editorial illustration and concept art for film and game animation.

At the same time, you will learn how to run your own small business as an entrepreneurial artist with innovative courses exploring website development, accounting, marketing and revenue-generating skills.

Credential Awarded

Ontario College Diploma

Duration

4 Semesters (16 Months Consecutive)

Starts

January, September

Program and Course Delivery

This program is offered in Seneca's hybrid delivery format. Some coursework is online and some must be completed in person. Students will need to come on campus to complete in-person learning requirements.

Program Learning Outcomes

This Seneca program has been validated by the Credential Validation Service as an Ontario College Credential as required by the Ministry of Colleges and Universities.

As a graduate, you will be prepared to reliably demonstrate the ability to:

- Draw a variety of forms including the human, animal, architectural and inanimate in an articulate and aesthetic manner.
- Create professional quality illustrations using a variety of traditional and digital media appropriate to the desired message conveyed.
- Critically evaluate the effectiveness of the illustrations in both written and verbal formats.
- Work effectively within the digital workflow by cataloguing, archiving and creating backup strategies for images and prints.
- Create legal contracts, dockets and other business documents for each project.
- Colour calibrate, finish and distribute images in a resolution and format that meets the needs of the client.
- Develop a portfolio that demonstrates professional creative skills and abilities in illustration.
- Develop a business plan for the establishment and operation of an illustration services company that adheres to ethical and industry standards.
- Produce marketing plans and materials such as quality business cards, a website and other promotional materials for both a new and an established illustration services company.

Admission Requirements

- Ontario Secondary School Diploma (OSSD), or equivalent, or a mature applicant (https://www.senecapolytechnic.ca/registrar/canadian-applicants/admission-requirements/mature-applicants.html)
- English: Grade 12 C or U, or equivalent course
- Art portfolio

Canadian citizens and permanent residents may satisfy the English and/or mathematics requirements for this program through successful Seneca pre-admission testing. (https://www.senecapolytechnic.ca/registrar/canadian-applicants/admission-requirements/mature-applicants.html)

Recommended upgrading for applicants who do not meet academic subject requirements (https://www.senecapolytechnic.ca/registrar/canadian-applicants/admission-requirements/upgrading-options.html).

Additional Information

Your portfolio should include a total of ten pieces:

- Two life drawings of entire body in various poses.
- Two drawings of your own non-drawing hand
- Two object drawings: solid everyday items from around your house
- Two environment drawings: a two-point perspective view of a room in your house from opposite corners.
- Two drawings or other art of your choice. Choose work that shows your interests and other skills.

International Student Information

International admissions requirements vary by program and in addition to English requirements (https://www.senecapolytechnic.ca/international/apply/how-to-apply/admission-requirements/english-requirements.html), programs may require credits in mathematics, biology, and chemistry at a level equivalent to Ontario's curriculum, or a postsecondary degree or diploma, equivalent to an Ontario university or college. Program-specific pre-requisite courses and credentials are listed with the admission requirements on each program page. To review the academic requirements please visit: Academic Requirements - Seneca, Toronto, Canada (senecapolytechnic.ca) (https://www.senecapolytechnic.ca/international/apply/how-to-apply/admission-requirements/academic-requirements.html).

Pathways

As a leader in academic pathways, we offer a range of options that will allow you to take your credential further in another Seneca program or a program at a partner institution.

To learn more about your eligibility, visit the Academic Pathways (https://www.senecapolytechnic.ca/pathways.html) web page.
